

ASRT Professionalism Self-Reflection Tool

Complete the below self-reflection on professionalism and professional development. For each question, select how much you agree with the statement provided. Once finished, consider your score for each section and your individual goals. Then, visit the ASRT Professionalism Resources page for resources to support your growth needs. We recommend that you complete this self-reflection periodically as you move through your career because your goals might change with time.

Establishing a Baseline of Professionalism

1. I have obtained primary credentials in medical imaging or radiation therapy.

Yes 5	No 1
----------	---------

2. I am competent in the clinical setting.

Strongly Agree 5	Agree 4	Neutral 3	Disagree 2	Strongly Disagree 1
---------------------	------------	--------------	---------------	------------------------

3. I request help and collaboration when I am unable to meet a patient's needs.

Strongly Agree 5	Agree 4	Neutral 3	Disagree 2	Strongly Disagree 1
---------------------	------------	--------------	---------------	------------------------

4. I accept responsibility for my own clinical practice.

Strongly Agree 5	Agree 4	Neutral 3	Disagree 2	Strongly Disagree 1
---------------------	------------	--------------	---------------	------------------------
