Most Memorable Experiences:

This year was completely amazing, but I think the most memorable was joining the ASRT Foundation Board of Trustees. I was able to witness firsthand how much work and effort go into making it possible to award so much money to deserving students and medical imaging and radiation therapy professionals who are pursuing advancement in their education and professional journeys.

Closing Remarks:

I would like to sincerely thank all of those who trusted me and supported me in this position. My husband, family, friends, fellow Board members and ASRT staff were all responsible for making this possible. It has certainly been the experience of a lifetime and one that I will never forget! I encourage everyone who wants to be a part of this amazing group of people to consider volunteering with the ASRT. It will be worth every minute!
