Most Memorable Experiences:

It is difficult to pick my most memorable experience serving on the ASRT Board of Directors; not just this year, but over the last five-and-a-half years. My volunteer service with the ASRT has given me some of the most rewarding experiences of my professional life. What has been most inspiring are the times I've spent visiting with our affiliate leaders as an ASRT representative during annual meetings. It's been a joy to meet many, many wonderful professionals who sacrifice significant time and energy in support of our colleagues in their state. It is work that is invaluable and so appreciated!

Closing Remarks:

I'd like to thank the amazing staff of the ASRT, all of whom work tirelessly to help advance and elevate this profession that we all love. It's been a true privilege to serve with the 2024-2025 Board of Directors. This last year was an interesting one, to say the least! I could never fully show my appreciation for the patience, kindness and support that my fellow Board members – and so many of you – showed me as I made the difficult decision to resign from my role as your president-elect. My volunteerism with this amazing organization has never been about my own accomplishments, but has always been about the work, first and foremost. In my new role, I remain committed to working as hard as I can, every day, to support the mission of the ASRT. Thank you all, for everything!
