Most Memorable Experiences:

It was nice to be able to attend the 2021 RSNA in Chicago, Illinois. Even though we were mostly virtual, the camaraderie with my fellow Board members has been a wonderful! We have had a heck of a year and we are looking forward to seeing real faces this June in Orlando!

Closing Remarks:

I would like to thank everyone for their support this past year! Allowing me to serve as your president-elect has been a wonderful experience and I am honored to serve you! I want to thank all health care professionals -- especially all medical imaging colleagues -- who gave all during the worst of the pandemic We lost many friends, family, and colleagues these past two years, but we have prevailed as “essential employees” in our profession, and I salute you!!
