Most Memorable Experiences:

My most memorable experience has been watching the CEO, Melissa Pergola, take charge of the ASRT, develop strong relationships with other organizations and tackle a mountain of collaborations to elevate the profession so that we can BE SEEN! I am confident that the ASRT is in good hands and will continue to thrive!

Closing Remarks:

I would like to thank my fellow Board members, the ASRT membership and the ASRT staff for your trust and support as I navigated the role of president. It takes an immense amount of work from everyone to make this happen and I am thankful for all of you! The ASRT will always hold a special place in my heart.
