Most Memorable Experiences:

One of my most memorable experiences was working together on the future strategic plan for the ASRT to ensure its sustainability and to establish the ASRT as the premier medical organization in the United States. There is something truly special about being in a room full of change agents, all united by a common goal to promote our profession, ensure patient safety and provide holistic care for radiologic technology professionals. The collaboration and shared vision in those moments were inspiring and reaffirmed my belief in the strength and resilience of our community.

Closing Remarks:

I am deeply grateful for the opportunity to represent the membership of the ASRT. I want to extend my heartfelt thanks to the ASRT staff for their unwavering support of the ASRT mission and their shared passion for the radiologic technology profession. I am truly appreciative of the time I spent with the Board, witnessing firsthand the incredible leadership and dedication of Dr. Melissa Pergola as CEO. Our profession is undoubtedly strong, bolstered by the resilience and commitment of the ASRT Board. Thank you all for making this journey so rewarding and impactful.
