Most Memorable Experiences:

The most memorable experience for me was the return to in-person affiliate meetings. I was absolutely giddy to walk into conference rooms this spring filled with my peers, friends and professional family. I was even able to make new friends at the Idaho affiliate meeting and learn some incredibly interesting things from their speakers. I hold these experiences close to my heart as they are the things and the people who feed my professional soul and keep me energized. Thanks everyone for all you do!

Closing Remarks:

I am so glad we had a return to “somewhat” normalcy this year. I remain in awe of the adaptability shown by medical imaging and radiation therapy professionals over the past two years. You are amazing people!! I plan to continue to support this group of professionals in every way possible in my next role as vice president. Please contact me directly if you have concerns or suggestions. Thank you for your continued support!
