### **Most Memorable Experiences:**

One of my most meaningful experiences was speaking at the 2025 Educational Symposium to an audience of students. The enthusiasm, energy and passion demonstrated by the next generation of radiologic technologists were truly inspiring. Additionally, participating in affiliate meetings and networking with professionals from across the country further strengthened my commitment to advocacy and continued service to our profession.

### **Closing Remarks:**

It has been a privilege to serve as ASRT secretary over the past year. The opportunity to contribute to the future of our profession is a responsibility I value greatly. Thank you for your continued trust and support, and I look forward to another successful year of service.
