- ASRT Chapter Leader Orientation
- ASRT Delegate Orientation

June 2024

- ASRT Preconference Board of Directors Meeting
- ASRT Educational Symposium and Annual Governance and House of Delegates Meeting
- ASRT Sergeant-at-Arms Orientation

Most Memorable Experiences:

My most memorable moment this year has been working to promote the RA profession, especially during my attendance at the American College of Radiology annual meeting in April. As much as this opportunity pushed me outside of my comfort zone, it was most rewarding to be able to build relationships with our radiologist colleagues. The ability to educate radiologists about the RA profession and our advocacy needs was an experience I will never forget. The overwhelming support felt at this meeting did not come without an immense amount of preparation and promotion by many. I am grateful for the entire ASRT team and volunteers who made this event possible and allowed me to participate. I look forward to continuing the momentum gained over the four days we were in Washington, D.C.

Additionally, I have enjoyed watching the progress of ASRT Board Chair Danny Gonzales' public relations campaign as it has come to fruition. It has been amazing to be able to watch as people see the commercial for the first time. The reactions are overwhelming, and I am so happy to be a part of this Board that made Danny's dream a reality.

Closing Remarks:

I would like to give a HUGE shout out to the many volunteers who served on our House committees this year. It has been so rewarding to see the work of the Practice Standards Council committees, the Commission and Committee on Bylaws throughout this year. I am so excited to be a part of the process to finalize the work that these committed volunteers have completed over the past eight months when we come together in Orlando in June. The work of the House of Delegates would not be possible without the commitment of each of these dedicated individuals.
