Most Memorable Experiences:

Just as many of my fellow colleagues, I was so looking forward to attending in-person meetings during my year on the Board. I am so delighted to have had the opportunity to attend an in-person annual meeting of my affiliate as well as attend a second affiliate meeting as an official ASRT representative. While there, I had an opportunity to present an ASRT update with a focus on member services and benefits.

Closing Remarks:

It has been an absolute pleasure and honor to serve the profession as treasurer of ASRT Board of Directors this year. My time on the Board has truly been a wonderful opportunity to learn more about the talented and passionate executive team and staff members, as well as the association operations. As a Board, we made the most of our time together to discuss issues, consider and decide on strategic and adaptive changes, and address current issues that have impact and influence on our members and the profession across the nation and even the world. All my experiences could be summed up as new knowledge added to previous experiences that helped me to make important decisions for our profession.
