**Most Memorable Experiences:**

Breakfast with ASRT staff – this was my favorite! I have always known our team was amazing, but being able to sit with them, get to know them better and understand deeper who they were and their purpose – it was incredible! They make our organization GREAT, and I am so grateful for each of them! Throughout my tenure, I have been inspired by the commitment and enthusiasm of the ASRT staff, our affiliates, our members and leadership. Each event and all the time spent has enriched my understanding of our profession and strengthened my resolve to continue advocating for who we are and protecting what we do.

**Closing Remarks:**

I am grateful for the opportunity to serve as treasurer and to contribute to the medical imaging and radiation therapy community. It has been a privilege to collaborate with dedicated professionals, support our shared mission, and not only witness but contribute to the growth and achievements of our organization. Thank you for entrusting me with this role and allowing me to be part of such a remarkable journey. I am excited for the year ahead!
