Supervision, Delegation and Scope of Practice**

State	Radiologist Supervision and Delegation	Scope of Practice	Licensing Agency	Applicant/Practitioner Information	
Arizona	See Scope of Practice	<p>Ariz. Rev. Stat. Ann., Title 32, Chapter 28, § 32-2819 Radiologist Assistants; Certification; Rules; Scope of Practice. ...C. Pursuant to rules adopted by the department, a radiologist assistant may do the following under the direct supervision of a radiologist: 1. Perform fluoroscopic procedures. 2. Assess and evaluate the physiologic and psychological responsiveness of patients undergoing radiologic procedures. 3. Evaluate image quality, make initial image observations and communicate observations to the supervising radiologist. 4. Administer contrast media or other medications prescribed by the supervising radiologist. 5. Perform any other procedures consistent with rules adopted by the department. D. In adopting rules pursuant to subsection C of this section, the department shall consider guidelines established by the the American society of radiologic technologists and the American registry of radiologic technologists. E. A radiologist assistant shall not interpret images, make diagnoses or prescribe medications or therapies. F. A radiologist who supervises a radiologist assistant may authorize the assistant to perform only those radiologic procedures described in this section.... https://www.azleg.gov/viewdocument?docName=https://www.azleg.gov/ar/s/32/02819.htm</p>	<p>• Ariz. Admin. Code, Title 12, Chapter 2, Article 1, § R12-2-101 Definitions. "Radiologist assistant" means a person who performs independent advanced procedures in medical imaging and interventional radiology under the guidance, direction, supervision and discretion of a licensed practitioner of medicine or osteopathy specializing in radiology (Radiologist). • Ariz. Admin. Code, Title 12, Chapter 2, Article 4, § R12-2-406 Radiologist Assistant. Radiologist assistants shall meet the parameters determined by the profession through the 2011 American Society of Radiologic Technologists Radiologist Assistant Practice Standards incorporated by reference and available under R12-1-401(A). This incorporated material contains no future editions or amendments.</p>	<p>Arizona Department of Health Services Bureau of Special Licensing 150 North 18th Avenue, Suite 410 Phoenix, AZ 85007 (602) 364-2079 special.licensing@azdhs.gov https://azdhs.gov/licensing/special/index.php#mrt</p>	<p>Medical Radiologic Technology-Provider & Applicant Information https://azdhs.gov/licensing/special/index.php#mrt-provider-info</p>
Arkansas	I-VII Ark. Code R., Regulation No. 29, V. Supervision. The radiation practitioners assume full responsibility for the actions of the RA and RPA. If there is any uncertainty regarding supervision of the Ra and RPA, the designated supervising radiation practitioner has ultimate responsibility. Supervising and alternate supervising radiation practitioners must have the privileges to perform the procedures for which he/she is supervising for the RA and RPA. If it is an invasive procedure, the radiation practitioners must satisfy, at a minimum, the same educational and experience requirements as the RA or RPA. All invasive procedures require a minimum level of direct supervision, and conscious sedation requires personal supervision by the radiation practitioner.	<p>Ark. Code Ann., Title 17, Subtitle 3, Chapter 106, Subchapter 2, § 17-106-202 Rules. The Arkansas State Medical Board shall adopt rules to: (1) Define the qualifications for licensure of a radiologist assistant or a radiology practitioner assistant; (2) (A) Define the services that may be performed by a radiologist assistant or a radiology practitioner assistant, and the level of supervision required for the performance of a radiologist assistant or a radiology practitioner assistant. (B) The rules adopted under subdivision (2)(A) of this section shall specify that a radiologist assistant or radiology practitioner assistant shall not interpret images, make diagnoses, or prescribe medications or therapies; (3) (A) Define the qualifications of a supervising physician. (B) The rules adopted under subdivision (3)(A) of this section shall specify the manner and scope of supervision that a licensed physician must employ when supervising a radiologist assistant or a radiology practitioner. (C) (i) Only a physician licensed to practice medicine in the State of Arkansas under § 17-95-401 et seq. who resides in Arkansas or in an immediately contiguous county of an adjacent state and who is a diagnostic radiologist certified by or eligible for certification by the American Board of Radiology or an equivalent board approved by the Arkansas State Medical Board may utilize the services of a radiologist assistant or a radiology practitioner assistant. (ii) However, a physician may utilize the services of a radiologist assistant or a radiology practitioner assistant under subdivision (3)(C)(i) of this section only if the physician supervises the radiologist assistant or radiology practitioner assistant.... https://advance.lexis.com/container?config=00JAA3TU0NTIzYy0zZDEyLTRhYmQyYmRmMS1iMWkxNDgxYWYxZWZTOKAFBvZENhdGFsb2cubRw4ifTwi5vLw6c1lUx&crd=0b79679b-052d-45e6-a5b3-d2ed895cc762&prid=e1f7300c-bbc2-4d48-980b-448d885b401e</p>	<p>• I-VII Ark. Code R., Regulation No. 29, III. Roles and Responsibilities. The RA or RPA may perform the tasks and functions as approved by the Board AND for which practice privileges have been secured at each facility where the procedure is performed. Prescriptive authority for medications and images interpretation are expressly prohibited. Initial observation of the images by the RA and RPA may be communicated only to the supervising radiation practitioner. The RA and RPA may communicate the radiologist's interpretation to other care providers. • I-VII Ark. Code R., Regulation No. 29, IV. The Practice-Specific Document. The practice-specific document is to be completed and signed by the RA or RPA and the supervising licensed radiation practitioner supervisor. The practice-specific document must be accepted and approved by the Arkansas State Medical Board prior to the licensure of the RA or RPA. Any change in the practice-specific document shall include the following: A. Procedures or tasks to be performed by the RA or RPA with the level of supervision to be provided by the licensed practitioner(s). All invasive procedures listed require a minimum level of direct supervision. B. Name and address of facility where the procedure(s) will be performed. C. The name of the alternate supervising licensed radiation practitioner(s).</p>	<p>Arkansas State Medical Board 1401 West Capitol Avenue, Suite 340 Little Rock, AR 72201-2936 (501) 603-3559 RA Licensing Coordinator: Julia Fezell (501) 296-1955 jdf@armedicalboard.org</p>	<p>• FAQs • Radiologist Assistant Licensure Information Packet • Radiologist Assistant Practice Specific Document http://www.armedicalboard.org/Professionals/RadiologyAssistant.aspx</p>
Colorado	See Scope of Practice	<p>• Colo. Code Regs., Department 1000, § 1007-1 Part 02, 2.6 Facility Registrant Responsibilities. 2.6.1 In any facility regulated by or requiring registration under these regulations, the registrant shall allow only individuals who are adequately trained in radiation safety and the safe and effective use of the machine to operate any radiation machine. 2.6.1.3 For a radiologist assistant "adequately trained" shall mean that the individual is qualified as provided in Appendix 2G. • Colo. Code Regs., Department 1000, § 1007-1 Part 02, Appendix 2G: Radiologist Assistant (RA) Adequate Radiation Safety Training and Experience. Any person who acts as a Radiologist Assistant or Radiologist Practitioner Assistant to be an individual who is 18 years of age and has provided written documentation as evidence of: 2G.1 Current certification as both ARRT(R) and a 2G.1.1 Registered Radiologist Assistant (RRA); or 2G.1.2 Radiology Practitioner Assistant (RPA) prior to January 1, 2008; Or 2G.2 Having: 2G.2.1 Met the specific qualifications in education recognized by the ARRT, ASRT, ACR, or equivalent nationally recognized entity; and 2G.2.2 Been trained and worked under the direction of a radiologist. https://www.sos.state.co.us/CCR/GenerateRulePdf.do?ruleVersionId=6176&fileName=6%20CCR%201007-1%20Part%2002</p>	<p>Colorado Department of Public Health and Environment X-Ray Certification Unit 4300 Cherry Creek Drive South Denver, CO 80246 (303) 692-3448 Unit Leader: Brian Vamvakias brian.vamvakias@state.co.us https://www.colorado.gov/pacific/cdphe/x-ray-machine-opr-technol</p>
