

Keep Your Staff Up to Date

ASRT Group Membership

Benefits for Your Staff

- **Access to 17 CE credits each membership year.**
- **An online CE library with more than 600 courses** in topics including radiography, CT, MR, mammography, radiation therapy, nuclear medicine and more.
- **More than 30 EZ Compliance™** workplace training modules.
- **10,000+ searchable discussions** about techniques, Practice Standards, career development and more in the ASRT Communities.

Benefits for You

- **Get one invoice** and one common billing date for all staff.
- **Easily add or remove staff** members at any time throughout the year.
- **We'll waive the \$10 application fee for each new member** when you enroll a group of 10 or more.
- **Gain peace of mind** that your staff can easily maintain their certification, registration and state licensure.

gcoordinator@asrt.org

Providing education for our staff in a rapidly changing medical imaging environment is easy and efficient with ASRT group membership. We receive ongoing support from our ASRT coordinator, one-time billing and a simple process to allow immediate changes to our roster. As an administrator, ASRT's professionalism and commitment to technologist education puts my mind at ease.

— Scott Austermann, R.T.(R)(MR), Program Manager, Progress West Hospital, Missouri
