

About the American Society of Radiologic Technologists

The American Society of Radiologic Technologists, based in Albuquerque, New Mexico, represents the health care professionals who perform medical imaging procedures or plan and deliver radiation therapy. The Society is the largest radiologic science association in the world. Its mission is to advance and elevate the medical imaging and radiation therapy profession and enhance quality, safe patient care.

Facts

- Founded in 1920.
- Located in Albuquerque, N.M., since 1983.
(15000 Central Ave. SE, Albuquerque, N.M. 87123-3909)
- Is a 501(c)(6) nonprofit professional association.
